RIFLE CLUB IS TALKING PLANS FOR THE FUTURE

The Honolulu Rifle Club was unable to hold a shoot yesterday morning at the Fort Shafter range, as the National Guard is now having its annual record shoot, and will probably keep the range busy during the next two or three months.

The officers of the club are now endeavoring to secure a range which may be used exclusively by citizen rifle clubs, and they expect to have an important announcement to make in the near future.

[Special Star-Bulletin Correspondence.]
SCHOFIELD BARRACKS, April 12.—The second round of the 25th Infantry Battalion series was completed yesterday when the First Battalion handed the Second a trouncing to the tune of 10 to 2. This was a surprise to the Second Battalion fans who had expected to see their team repeat their victory of the first round.

Johnson for the Second allowed only one hit but the other two Second Battalion twirlers were found at will by the First Battalion Sluggers. Smith was hitting a thousand per cent.

[Special Star-Bulletin Correspondence.]
SCHOFIELD BARRACKS, April 12.—Troop D won the game from E Saturday by a narrow margin. D had all their own way for the first four innings, holding Troop E scoreless and piling up six runs. Troop E then replaced Roberts, whose wild throw in the fourth scored two runs, by Caten, who pitched the last five innings without allowing a hit. In the last five innings Troop E managed to tally five times in a plucky attempt to catch D, but the latter had too great a start and won out 6 to 5.

Score by Innings: R. H. E.
Troop D 2 1 1 2 0 0 0 0 6 6 4
Troop E 0 0 0 0 3 0 1 0 1 5 6
Batteries—Hornung and Clark for D; Roberts, Caten and Mathews for E. Two basehits, Whitworth. Stolen bases, Roach, Kutach, Redding 2, Clark 2. Bases on balls, off Hornung 3, off Roberts 1. Struck out, by Hornung 17; by Caten 13.
Shut-Out for Troop M.
In yesterday's game Monton, pitching for Troop M, shut out Troop G without allowing a hit and no man reached second base. Meanwhile Troop M, with the aid of five hits, five bases on balls and a liberal supply of errors from G, put over 11 runs.

A HAPPY CHILD IN JUST A FEW HOURS

When cross, constipated or if feverish give "California Syrup of Figs" then don't worry

Mothers can rest, after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed, liver gets sluggish, and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it cannot cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages, and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup—advertisement.

ISAIAH BRAY'S MEMORY IS PAID S. A. R. RESPECT

"Therefore, be it resolved that we desire to express to the widow and family of our late compatriot the society's sincere condolence with them in their bereavement.

"And be it further resolved, that copies of these resolutions be sent to the members of his family, and that a copy be spread upon the records of our society."

DR. HOBBS TO TELL FACTS ABOUT TRAINING

At the finish of the 440-yard run one of the runners fell to the ground exhausted while the runner who breathed him to the tape merely walked away from the finish. The difference was that one of the men was in condition while the other one was not. The difference, too, is that one eats right and the other one does not.

Tomorrow night at the Y. M. C. A. Dr. Hobbs is telling the young men and older men how to keep themselves in good condition, not so much for races as for every day living. Men are continually going to the doctors with ailments which could easily be prevented with a little knowledge of the "body engine."

There is to be a good chance for anyone to ask questions and the fellows are glad of this chance to get expert advice on any subject pertaining to their good health. The talk is to be held in Cooke hall and commences promptly at 7:45.
